

Ten Great Reasons to Choose Us

1.

Our clinical laboratory is CAP certified with available service 24/7.

2.

We are the only vendor to provide both laboratory and radiology services.* This means only ONE CALL for all of your diagnostic needs.

3.

We perform all testing on state of the art laboratory equipment, which equates to faster, more accurate results.

4.

We provide a dedicated client representative.

5.

We provide a flexible drawing schedule that fits our clients specific needs.

6.

Our nurse consultants provide continued education classes for our clients.

7.

We offer an infection control program unmatched by any firm in the industry.

8.

We provide our clients with competitive fees and DSSI Billing Capabilities.

9.

Developed within a HIPPA approved environment, our clients have access to securely retrieve online results 24/7, which can be conveniently printed from any desktop printer.

10.

We provide all supplies required to collect, transport and store patients' specimens.

* Available through our sister company, MobileUSA.
